Your benefits

- ✓ verified quality memory
- ✓ 5 years warranty
Warranty details see last page
- ✓ 100% compatible
- ✓ free support on our hotline
- ✓ fast delivery

PHS-memory® - computer memory with 100% quality

- many years of IT competence
- Free support for optimal configuration and product selection
- High availability through professional warehouse management
- Fast delivery in throughout Europe
- Short response times and professional order processing due to full digitalization throughout the entire process with complete traceability
- Incoming goods inspection include checks of the DRAMs, PCBs and the programmed SPDs in order to exclude possible errors (Controlled BOM).
- PHS-memory® brand memories guarantee 100% compatibility to the specified system.
- PHS-memory® memories can be used together with existing memories in the device - depends on to the configuration rules of the system.
- The "fallback option" in the SPD of PHS-memory® allows DRAMs with higher clock rates to be operated together with older memory modules with lower clock rates within the system.
- Products with unique serial number for service and warranty
- Pre-sales and after-sales support by technically trained personnel

Memory Specification

Memory size	1GB
Memory technology	DDR3
ECC support	no
JEDEC Norm	PC3L-6400U
DRAM Organization	256Mx16
Type	UDIMM (Non-ECC unbuffered)
Number of pins	144 Pin DIMM
Memory data transfer rate	800MHz
Voltage	1,35 Volt
Speciality	-
Board dimensions	67,6 x 30 (LxB mm)
Operating temperature	0° C - 85° C
Storage temperature	-40° C - +95° C
RoHS compliant	Yes
SKU	SP352066
EAN	4064578149666

Note: The module specified in this datasheet is one of several possible configurations available under this part number.
Some details may differ from the specifications described here and the illustration, but have no negative influence on the functionality.

System Specifications

The memory is 100% compatible with this system:

System manufacturer	HP
Device type	Printer
Device family	Color LaserJet Enterprise
Device series	M506 Serie
Device name	Color LaserJet Enterprise M506
Standard memory	512MB
Maximum memory*	1,5GB
Number of memory sockets	1

* The specifications for the maximum memory upgrade may differ from those of the manufacturer HP. Often the information given in the manual for the maximum memory upgrade is not up to date. New memory technologies, bios updates or newer software versions often allow the use of memory modules with a higher capacity than specified by the manufacturer with the same performance and stability.

Information on memory allocation

Computer memory configuration - HP Color LaserJet Enterprise M506 series

Ab Werk wird der printer with 512MB RAM printer-memory ausgeliefert. Der LaserJet Enterprise kann auf maximal 1,5GB Computer memory erweitert werden.

Modell	Part Nr	max.Ram
HP Color LaserJet Enterprise M506n	F2A68A	1,5GB
	F2A69A	
HP Color LaserJet Enterprise M506dn		1,5GB
HP Color LaserJet Enterprise M506dh	F2A71A	1,5GB
HP Color LaserJet Enterprise M506dnm	F2A66A	1,5GB
HP Color LaserJet Enterprise M506x	F2A70A	1,5GB
HP Color LaserJet Enterprise M506xm	F2A67A	1,5GB

Information on memory installation

- Turn off the system
- Remove the plug of the power supply unit (if connected)
- Remove the battery, according to the user manual of the system
- Always ground yourself before touching electronic components
- Protect the memory module from static voltages:
 - Do not touch the gold pins of the memory module
 - Only touch the sides of the memory module
 - Use a grounding strap and/or ESD glove if possible

General installation instructions are supplied by E-Mail.

Further memory options for HP Color LaserJet Enterprise M506

Size	SKU	Technology	Type	Number of pins	Brand	Reference no.
1GB	SP352066	DDR3	UDIMM (Non-ECC unbuffered)	144 Pin DIMM	PHS-memory®	E5K48A

PHS-memory® warranty

Every PHS-memory® is equipped with a 5-years-warranty of perfect operation. If the RAM module is defective or fails within 5 years of purchase when used properly, you will receive an appropriate RAM module free of charge. If a suitable memory module is no longer available, we will refund the purchase price.
